

Grafting Vegetables

Hands-On Workshop

February 20, 2015

9am -12pm

WSU Mount Vernon NWREC

Led By: Dr. Carol A. Miles and Patti Kreider

Vegetable Horticulture Program, Department of Horticulture, WSU

- Learn how to use the splice-graft technique to graft tomato and watermelon successfully.
- Participants will use common rootstocks for each crop and will graft 6 plants of each crop which they can take home to heal (\$48 value).

All grafting materials will be provided. Participant supply list will be emailed upon registration.

Registration Cost

By January 28, 2015 - \$50 per individual; \$75 per pair/couple

Late registration - \$70 per person
